Nekoosa, WI 54457

The Wisconsin Department of Transportation (WisDOT) is planning to close and detour WIS 13 between Adams County D and WIS 73 in fall 2010 so crews can replace the pavement and improve the side slopes along the highway.

During the closure, motorists will be detoured via WIS 21, I-39 and WIS 73. The detour will last 21 consecutive days beginning after Labor Day and ending before October 22, 2010.

In July, the awarded contractor and project staff will conduct a meeting to discuss the contractor's proposed schedule of operations, timing of the detour, access to businesses and property owners during construction, and any problems associated with vehicular and pedestrian access during construction operations.

Every effort will be made to cause you as little inconvenience as possible, to perform the work in a timely manner, and to answer any questions about the work being done.

Please feel free to contact me at 715/421-8386 or e-mail at [Kevin.Garrigan@dot.wi.gov](mailto:Kevin.Garrigan@dot.wi.gov) with any questions you may have regarding this project.

Sincerely,

Kevin Garrigan, PE  
WisDOT Project Manager
