

LSPOA General Membership Meeting

Saturday, May 28, 2011 10 am
Lodge Lower Level

Learn first hand about the status of the Lodge and what's going on in the Association. Bring your ideas, suggestions and volunteer spirit along to help resolve issues we all face as property owners on Lake Sherwood. Nominations for new Board Officers and Directors. See you there!

Campers Meeting

Saturday, May 28, 2011 1:15 pm
Lodge Lower Level

Let's Talk about our issues and how LSPOA can be supportive — This is a special meeting for our campers to share any issues pertinent to camping on Lake Sherwood with other campers, Subdivision Reps, Town Supervisor Jerry Weissinger, and supportive neighbors who own homes on Lake Sherwood. The meeting is being hosted by the LSPOA Member Relations Committee to bring neighbors together to talk about any current camping concerns and to see how LSPOA can support our campers. Town Supervisor Jerry Weissinger (also a Sherwood homeowner) will attend to give some background on the history and rationale of recent changes affecting campers. We hope to also have available information regarding 2012 septic system regulations and requirements along with potential costs and companies available. The intent of this meeting is to assist our campers in airing concerns, understanding all perspectives of changes/requirements and shared problem solving.
