We have instituted a change to the method by which we charge non-residents for use of our dump stations. Beginning with the 2007 camping season, April 15, 2007, any user of our dump stations will be required to have an annual permit sticker on the RV or tank being dumped. The annual sticker can be purchased at the Lake Camelot lodge at 298 Leisure Lane for \$25. The lodge is open Friday through Monday 9:00 A.M. until 5:00 P.M., beginning 4/07/2007, thereafter 7 days per week Memorial weekend through Labor Day weekend.

Both dump stations will be monitored for trespassing violations. Violations are subject to a municipal fine of \$235.

Please acknowledge receipt of this letter and direct any questions to the LCPOA office:
